Dear Jack,

Per our telephone conversation on the case of Robert J. O' Connor. Here are the final results from the State Attorney Office. But of this day I have found out that this letter is not of the truth. Mr. O'Connor was sentenced on 12/18/88.

His sentencing was for 180 days in jail, 2 years controled monitored community time and 3 years probation, with the understanding of no cummination to or with [REDACTED] and not allowed to be involved with any childrens activites without other adult supervision.

Jack I am sorry that this fist letter was not correct, I hope this will help the National's questions. If you need any more information, please feel free to call me.

Thanks,

Dear Ron:

The information you previously sent is most helpful to us. We last heard from you in late August and wondered if anything else has now occurred. We understood that there was to be a hearing in late August related to this matter.

If the legal action has now been complete and there has been a conviction, we would like to have a record of this, as well as any sentencing which may have been imposed. These are most important to us, if we are to have a file that will enable us to refuse registration any where in the country.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

Dear Ron:

We appreciate the information sent concerning the above named individual. This is most helpful as we start a file to lead to refusal of future registration attempts.

We would like to have newspaper clippings, court records, or other material which would substantiate the arrest or any conviction which takes place related to this matter. We must have this material to strengthen our file.

You indicate that there was to be a hearing on August 30, 1988. Please keep us informed as this matter progress.

Sincerely,

Dear Mr. O'Conner:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted.

Sincerely yours,

Jon Sleik
President

Dear Ronnie:

We recently received a copy of a letter from your Council President to Mr. O'Conner. This indicated that he was being suspended from activity with the Boy Scouts of America.

We do not have evidence of receiving previous information concerning Mr. O'Conner. We would like to know what caused you to suspend his registration. Please send as much information as possible so that we will have a complete file which will enable us to refuse registration anywhere it might be attempted.

We would also like to have a Confidential Record Sheet completed so that we may be able to identify Mr. O'Conner. A copy of an application with his signature would also be helpful. I am enclosing a Confidential Record Sheet for your use.

Let us know if we may be of further help.

Sincerely,
